## CATCH BASINS AND ACCESSORIES

**900 POLYESTER CATCH BASIN ONLY WITH OUT BUCKET (1/2 meter)  
FOR POLYDRAIN**

ABT Polydrain

PolyDrain's 900 Series Catch Basins have the same outside dimensions as standard PolyDrain channels. Designed to accept sidewall extensions, they can be positioned any place in a channel run. The 900 Series Catch Basins are available with easy-to-remove stainless or galvanized steel trash buckets and can accept the full range of lockable inlay or frame-and-grate systems. Available with foul air traps when required.

ITEM # 242650

**901 POLYESTER CATCH BASIN, FOUL AIR TRAP END  
FOR POLYDRAIN**

ABT Polydrain

ITEM # 242652
