WRECKING/PRY BARS

KLE64306 GRIZZLY BAR

Klein Tools

- A heavy, strong, multi-purpose tool that saves time and effort on the job
- The 3" (76 mm) width protects concrete when stripping forms
- Efficient blade angle and 55-1/2" (141 cm) total length provide high leverage as a crow bar and nail and spike puller
- Blade is forged and hardened alloy with keyhole nail-pulling slot in center and V-notch in tapered edge
- Very efficient nail-pulling tool even in awkward positions
- Can also be used to help align walls during tilt-up construction, to roll and align large pipe, to remove shingles and flooring, and for many other stripping and prying tasks

ITEM # 083452

Dubuque, IA (800) 894-6272 • Grand Island, NE (800) 228-8572

SHARKGRIP**21-2036 SHARK GRIP NAIL PULLER 14-1/8" LONG**

Shark Corporation

Effective and easy to use, SharkGrip Japanese "cat's paw"-type nail pullers are the choice of professional cabinetmakers and woodworkers. A genuine SharkGrip nail puller is a "must-have" for every tool kit.

Forged from the finest heat-treated Japanese steel, SharkGrip nail pullers and prybars can be sharpened, and burrs removed, with a fine-quality steel file. Nail-pulling and prying ends are double-tempered for added strength. The pulling "V" is hardened to Rockwell 50-52 hardness, then hand-finished for accuracy.

ITEM # 069004

AWLS

Scratch Awl

Malco Tools

Use to scribe lines on metal, plastic and a variety of other materials. Pierce holes in wood, plastic, leather, even light gauge metal. Blades are high carbon, alloy tool steel fully polished to resist rust. Blade tapers to a fine point and may be resharpened many times. Easy-to-spot orange handles with large end bearing surface provide a sure, comfortable grip. User has choice of large diameter or regular grip handles.
