

POWER HAMMERS & CAULK CUTTER

D25650K

1 3/4" VSR D HANDLE SDS ROTARY HAMMER KIT

Dewalt

D25650K

11.5 amp motor delivers high output and overload protection.

Electronic Variable Speed allows the user to control the speed of drilling and chipping.

8ft/lbs of impact energy delivers up to 42% faster drilling and chipping applications than the competition.

Spline toolholder is compatible with all spline drive bits.

Rubber grip helps reduce the level of vibration felt by the user when operating the tool.

Rear handle mount means less bending over when using tool in down drilling applications.

Bit Lock allows user to unwind jammed bits.

Factory clutch helps reduce the tools reaction to embedded steel when bits "lock-up" while in operation, preventing injury.

Modular construction allows service technicians to repair tools quickly for less down time when you service tools.

360° side handle allows user the ability to position the side handle wherever it best suits the application.

ITEM#: 027198

HEAVY DUDY 12LB. SPLINE DEMO HAMMER

Dewalt

11.5 Amp motor delivers high output and overload protection.

8 ft-lbs of impact energy provides powerful chipping.

Rubber grip helps reduce the level of vibration felt by the user when operating the tool.

Rear handle mount means less bending over when using tool in down drilling applications.

Modular construction allows service technicians to repair tools quickly for less down time when you service tools.

Side handle allows for ease of use in chipping applications.

Includes:

- side handle
- bit grease
- heavy-duty kit box

**ITEM#: # 027399
D25250K**

DEWALT D25303K
1" L SHAPE SDS HAMMER

Dewalt

L-Shaped design offers superior balance and control.

2.3 Ft Lbs of impact energy provide fast drilling and powerful chipping.

7.5 Amp motor provides high performance and overload protection.

At only 11-1/2" this hammer is the most compact in the market allowing users to get into tight spaces.

Light weight design (6-1/2 lbs) provides comfort for extended use.

Dust extraction connection allows the use of the D25300D dust collection system.

Chipping (Hammer-Only) mode allows user to perform light chipping applications such as removal of mortar splatter.

"Rotation Only Mode" allows tool to be used for wood and metal drilling (using SDS-to-Round Shank Adaptor).

Reverse feature assists in the removal of fasteners.

Variable speed allows for precise hole placement on work surface.

Pop-Off Brush System Provide Greater Motor Life.

Factory set clutch reduces sudden, high torque reactions if bit jams.

360 Degree side handle adjusts easily for preference of use in tight spaces.

ITEM#: 027406

DW505K
1/2" HAMMER DRILL KIT

Dewalt

7.8 Amp motor provides high performance and overload protection.

High/low speed for high speed drilling or high torque applications.

Dual mode: hammer drill/drill for wood, steel or masonry applications.

Lightweight design for less user fatigue.

Two-finger trigger for increased comfort.

360° side handle with depth rod offers greater control, versatility, and increased depth accuracy.

Variable speed allows for precise hole placement on work surface.

ITEM#: 027408
7.2 AMP, DUAL VARIABLE

FSN 404E CAULK CUTTER

Fein Tools

Specifications

Model: FSN 404E

Input Watts: 400

Output Watts: 230

Blade Oscillations: 11,000 -22,000/min

Power Cord Length: 15 feet

Net Weight: 3.2 lbs

FEIN's unique caulking cutter removes caulking quickly and cleanly from expansion joints and facades. It removes sealant from bathroom tile or marble, and glazing putty from wood or aluminum window frames.

Includes:

FSN 404E Variable Speed Tool

117 Blade

128 Blade

Sharpening Stone

2-Pin Spanner Wrench

Plastic Carrying Case

MIL5368-21
7/8 ROTARY HAMMER SDS "D" HANDLE

Milwaukee

For small to medium hole drilling (up to 7/8 inch diameter), this D-handle Rotary Hammer is especially suited to provide the best grip for overhead drilling. It weighs in at 6.5 pounds and is ergonomically designed to maximize user comfort in gripping and balancing the tool. A side handle provides effective control while the depth rod allows the operator to drill a hole or a series of holes to a specific repeatable depth.

Carrying case included.

ITEM#: 010775

MIL5378-20

1/2" HAMMER DRILL

Milwaukee

At 7.5 amps this heavy duty pistol grip Hammer-Drill can handle the toughest drilling of 1/2 inch holes in concrete. With dual range speed control, the operator can choose more power to speed for the toughest applications or more speed and less torque for lighter applications. Equipped with a removable side handle, the side handle also assists in setting the depth rod for pre-set hole drilling. Use for drilling in wood, with Flat Boring Bits, Hole Saws, Auger Bits, and Selffeed Bits. It can also be used to drill in steel with Twist Bits and in concrete with Percussion Bits.

ITEM#: 010780
 6.5 AMP

MIL5392-6
3/8 HAMMER DRILL SC REV

Milwaukee

At 5.0 amps this heavy duty pistol grip Hammer-Drill can handle the toughest drilling of 3/8 inch holes in concrete. With speed control, the operator can control start up speed and avoid bit walk making hole positioning more accurate. The removable side handle also assists in setting the depth rod for pre-set hole drilling. Use for drilling in wood, with Flat Boring Bits, Hole Saws, Auger Bits, and Selffeed Bits. It can also be used to drill in steel with Twist Bits and in concrete with Percussion Bits.

ITEM#: 010790

MIL5397-6 **3/8 HAMMER DRILL KIT SC REV**

Milwaukee

Includes 4 piece bit set and carrying case

At 5.0 amps this heavy duty pistol grip Hammer-Drill can handle the toughest drilling of 3/8 inch holes in concrete. With speed control, the operator can control start up speed and avoid bit walk making hole positioning more accurate. The removable side handle also assists in setting the depth rod for pre-set hole drilling. Use for drilling in wood, with Flat Boring Bits, Hole Saws, Auger Bits, and Selfeed Bits. It can also be used to drill in steel with Twist Bits and in concrete with Percussion Bits.

ITEM#: 010794

HILTI HAMMERDRILL

DRILL TE 2 DLX 115 VOLT 3 /4" HAMMERDRILL

Hilti

The TE 2 is the basic model in the TE 2 line of Hilti light-duty rotary hammers. It is designed for drilling anchor holes and small diameter through-holes in concrete and masonry. In use, it is exceptionally powerful and comfortable.

Includes TE 2 rotary hammer complete with 13 ft supply cord, side handle, depth gauge, dust shield, impact resistant Hilti case and operating instructions.

ITEM # 191710
(3/PK)#00378385

DRILL TE 2-S 115 VOLT 3/4" HAMMERDRILL

Hilti

For all its power, the TE 2-S can also hammer lightly when drilling. Thanks to technology, brittle materials such as tile, marble or stone, can be drilled at full speed but with only 30% of the full impact energy. The TE 2-S also has rotation with hammering at 100% full impact energy for a real impact on concrete.

Includes TE 2-S rotary hammer complete with 13 ft supply cord, side handle, depth gauge, dust shield, impact resistant Hilti case and operating instructions.

ITEM # 191715

Cedar Rapids, IA (800) 383-7272 • Des Moines, IA (800) 383-2181
Dubuque, IA (800) 894-6272 • Grand Island, NE (800) 228-8572

DRILL TE 6-S DLX 115 VOLT 1" HAMMERDRILL

Hilti

Despite its power, the TE 6-S can also hammer lightly when drilling. Comfortable switch-easy grip electronic variable speed control. Allows user to easily change mode of operation. Quick change-simple interface allows user to quickly change from TE-C to angle chuck or 1/2" Jacobs style chuck. 2-way power-full power forward/reverse allows user to drill as well as remove stuck drill bits.

Comes complete with 13 ft. supply cord, side handle, dust shield, impact resistant Hilti case, and operating instructions.

ITEM # 191720

DRILL TE 6-C DLX 115 VOLT 1" HAMMER DRILL/CHISEL

Hilti

A rotary hammer with enough chiseling power for most concrete clean-up work. Light weight and perfectly balanced. Oversized and accessible controls for easy operation. D-handle grip with padded side handle. Ideal for overhead work. Interface for TE-C chuck and quick-release chuck.

TE 6-C complete with 13 ft. supply cord, side handle, dust shield, impact, impact resistant Hilti case and operating instructions.

ITEM # 191725

TE16 DLX HAMMER DRILL, 115 VOLT 1 1/8"

Hilti

A powerful yet compact rotary hammer for repetitive anchor hole drilling in the medium diameter range.

Includes impact resistant Hilti case, depth gauge, operating instructions, dust shield, cleaning cloth, Hilti grease.

ITEM # 191731

COMBI-HAMMER TE 35 DLX 115V 1 1-1/2" ROTOHAMMER

Hilti

A "Genuine" Combi-Hammer for balanced drilling and chiseling. Designed for a wide range of applications, lightweight yet powerful, electronic speed switch operable when working in any direction, infinite speed regulation ideal for accurate hole starting.

Includes impact resistant Hilti case, side handle, dust shield, cleaning cloth, spray lubricant, and operating instructions.

ITEM # 191735

COMBI-HAMMER TE 46 120V 1-1/2" HEAVY DUTY ROTOHAMMER

Hilti

Put the power where it counts with the TE 46 and TE-T bits. The new TE 46 and the exclusive TE-T connection end get more power out of the drill and into the bit, where it counts. Perfectly matched to harness the strength of the powerful motor, TE-T bits pack a punch that leave other bits in the dust.

Comes with 13 ft. supply cord, impact resistant plastic Hilti case, Hilti grease, cleaning cloth and operating instructions.

ITEM # 191740

COMBI-HAMMER TE 56-ATC 120V 1-3/4" ROTOHAMMER

Hilti

The TE 56 ATC combi-hammer is the top performer in its class. Designed and built to take long periods of hard use in stride, its reliability is second to none. And with the added feature of the ATC Active Torque Control System, the TE 56 ATC provides additional operator protection not available in competitive tools.

Comes with 13 ft. supply cord, impact resistant plastic Hilti case, Hilti grease, cleaning cloth and operating instructions.

ITEM # 191745

COMBI-HAMMER TE 76 DLX 115 VOLT GROUNDED

Hilti

The Mega Power Combihammer with Slip Clutch.

Better balance, Padded rear grip and side handle, grippable chuck for bushing applications, 30 % less vibration.

13 ft. supply cord, impact-resistant and non-fracture plastic case, Hilti grease, cleaning cloth and operating instructions.

ITEM # 191750

COMBI-HAMMER TE 76-ATC DLX 115 VOLT GROUNDED

Hilti

A Revolutionary Safety Feature for Added Operator Protection. With the TE 76-ATC, Hilti has set new standards in the high-performance combi-hammer class! More performance, longer life expectancy, more operator protection, and a wider range of applications.

13 ft. supply cord, impact-resistant and non-fracture plastic case, Hilti grease, cleaning cloth and operating instructions.

ITEM # 191755

CHISELING HAMMER TE 905-AVR 11 5 VOLT

Hilti

Active vibration reduction system maximizes operator comfort. For concrete, masonry, and stone breaking, chiseling, ground rod driving. Reduction in vibration by 2/3 with the AVR system. Compact design for operator comfort. Quick and Easy chisel changes.

Includes 13 ft supply cord, Hilti tool grease, cleaning cloth, operating instructions and safety precautions in impact resistant Hilti case.

ITEM # 191760
